

GRAND VALLEY MINOR HOCKEY 2025/2026 SEASON REGISTRATION NOW OPEN!

Registration closes August 31 2025

IMPORTANT: In the event of high registration volumes, spots will be filled on a first-come, first-served basis. While we will make every effort to place all registered players on a team, placement is dependent on our ability to secure sufficient coaches and bench staff.

Please read the following carefully before beginning registration:

- Hockey Canada strongly recommends completing registration on a laptop or desktop computer for the best experience.
- Multiplayer discounts are only applied when all players are registered within the same transaction.

New Registrations:

Those who have NEVER played organized hockey under the Hockey Canada umbrella:

- Please click below for instructions and the link to the [RIS \(Respect In Sport\): Parent Course](#).
- GVMHA and Hockey Canada require the following documentation for all new registrants:
 - **Proof of birthdate** (e.g., birth certificate)
 - **Proof of address** (e.g., parent's driver's license)

These documents must be uploaded to your **HCR Spordle account** as soon as possible.

Once you have completed the RIS Parent Course and uploaded the required documents, you will be able to register your child(ren) through our registration link.

Note: If you have already completed the RIS Parent Course for another child, **do not complete it again**. Instead, follow the provided instructions to **add additional children to your existing profile**.
