

Grand Valley & District Minor Hockey Association Sponsorship Opportunity

This upcoming 2018/19 hockey season, the Grand Valley & District Minor Hockey Association (GVDMH) is pleased to announce that our programming is growing! We are now able to offer a quality local league hockey experience from preschool level up to Bantam (ages 4-14). Our young athletes play fun and competitive games against other local league teams in the Georgian Bay Triangle of the Ontario Minor Hockey Association.

GVDMH strives to maintain reasonable prices, family-friendly ice times, and more on-ice practice than other hockey associations are able to provide. GVDMH focuses on player and team development, while offering a fun small-town hockey experience. Minor hockey benefits our whole community by supporting our local arena, hosting events that support our local businesses, increasing fitness and confidence in our children, providing the town with an exciting hockey experience, and by sharing the passion for this great Canadian game.

As with many community programs, success is often dependent on generous community support. GVDMH is grateful to all corporate sponsors and is pleased to offer several levels of sponsorship this year:
